

My One-Minute Expert Talk

Pip is an expert on snails. What are you an expert on? Spoons count. So do shoes, the dog, Lego, or the best way to eat toast.

How to get ready

- 1 Pick one thing you know a lot about.
- 2 Find three facts. Short ones are best.
- 3 Say the true thing first. Pip did, and the whole Hall went quiet.
- 4 Practise once. Then stop, and have toast.
